MY NAME IS ALLISON - I'M HERE FOR YOU.

I'll work with you and your family to plan, coordinate and organize all the details to make your transition to your new home a positive and rewarding experience.

HELPING SENIORS AND THEIR FAMILIES PLAN, COORDINATE, DOWNSIZE AND TRANSITION TO A NEW HOME.

Uxbridge Seniors Downsizing can provide the support you need to find the perfect retirement home, select a realtor, declutter, pack, run errands, move and more.

MY SERVICES

GET THE SUPPORT

I'll support you in the search for selecting the right retirement home and am happy to recommend or assist in the search for a realtor.

GET ORGANIZED

Being organized can make for a smooth transition. Tasks such as decluttering, cleaning and running errands are all things I can organize or help with.

MAKE YOUR MOVE

I help with packing, gifting, donation, sale of personal items and/or home contents PLUS organizing your move (in partnership with Seniors Relocation Services.)

MY FIVE SIMPLE STEPS FOR SUPPORTING SENIORS

1 THE CONSULTATION

I'll begin with a free in-home consultation to discuss your needs for downsizing and moving services. It's helpful to have a tour of your home to assess the scope of services you require.

2 THE QUOTE

After our visit, you'll receive a free no-obligation quotation for your review. When you're ready to move forward, sign the agreement and we can get started!

3 THE PLAN

We will set up a meeting or series of meetings to discuss, plan and coordinate all the tasks you require to downsize and move to your new home.

4 DOWNSIZING

After we determine an action plan, the work will begin! This may include arranging for items to be gifted, donated, sold, or disposed of, packing, running errands, deep cleaning and more.

5 THE MOVE

Welcome to Your New Home! I'll ensure that moving day is smooth and efficient and help you get set up in your new home so you can relax and enjoy your new space.
